Other bus routes: 16, 16A, 276.

Tram: Take the Altrincham line to Stretford. From there take a bus towards Chorlton or it's a 20 minute walk.

When you arrive at St. Clements Church you have a choice of two entrances...

If you are heading for the large counselling room then go through the Face to Face door (shown on the diagram). The door is brown coloured with a small sign on it saying 'Face to Face'. Once inside, go up the stairs. The large counselling room is sharp left at the top of the stairs and down a short corridor. You will see a chair positioned to form a waiting area.

If you are heading for the small counselling room then go through the main door of the church hall (shown on the diagram). Go up the stairs, through the double doors and turn immediately left.

Please wait outside the counselling room for your counsellor and only knock on the door if there is no 'room busy' notice displayed on it.
