**For anyone aged 9-17 who wants to
talk in private to someone who understands
and cares about young people**

LOTTERY FUNDED

local network fund
for children and young people

Face to Face is a confidential counselling service which was established in 1993.

Since October 2005 we have been able to offer a service for children and young people (aged 9-17) .

Long and short-term counselling is available.

Qualified and experienced counsellors work professionally and ethically and within child protection guidelines and the law of England and Wales.

We are a voluntary counselling organization and rely upon donations to run the service. We ask for a small donation for each session – a minimum of £3.

To make an appointment with Jenny, Tricia, Becky or Liz for more information, please text/phone/email or write.

Contact details are overleaf.

The Young People & Children's Service offers you the opportunity:

- **To get rid of bottled up feelings by talking or using art, craft and play materials.**
- **To talk privately to someone who will listen.**
- **To express things that it may be difficult to talk about with family and friends.**
- **To learn how to cope better with difficult situations.**
- **To understand yourself better.**
- **To look at your choices.**
- **To live a happier, less lonely more fun-filled life.**
